

VIRTUALLY INSPIRED RECOVERY

VIA PHONE/WEB CONFERENCING

WEEKDAYS 12-1PM

NMSAS Recovery Supports:

In an effort to bring people together during this unusual time, we want to offer an opportunity to hear the hope and inspiration of recovery as well as many recovery resources available. Weekdays from 12-1pm we'll have a person from our amazing network, throughout Michigan and beyond, talk about their recovery and/or services they provide. We have an inspiring line up! For more information please call Brittney: 989-370-7608, or email Tory at twerth@nmsas.net. Visit our Facebook page for our daily log-in information and notifications:
