About the Volunteer Awards

The Barry County United Way & Volunteer Center recognizes that everyone has a gift to offer to the community. We promote volunteerism because we believe that many people are seeking ways to give back in return for the many gifts they have been given. Through recruiting and matching volunteers with opportunities, the Barry County United Way Volunteer Center is in partnership with generous volunteers as we strive to create a better Barry County for all.

The Volunteer Awards recognize, honor and celebrate residents within Barry County who have given so generously of their time and talent for the benefit of the community.

Any organization that utilizes volunteers in Barry County is eligible to submit nominations. This includes non-profit agencies, service clubs and organizations, churches, and even businesses that are involved in employee volunteering. This year, due to COVID-19 regulations, our annual ceremony will be virtual - tune in Thursday, July 8 at 4pm! Winners will still be receiving awards and all nominees will receive a certificate of appreciation.

This event is an excellent opportunity to showcase volunteers who work in a variety of areas. Please nominate your outstanding volunteers today!
