- Put all together for a parent to easily use for their child's birthday.
- Benefiting organization:
 Family Promise of Barry County

9/11 DAY OF SERVICE PROJECT - 20TH ANNIVERSARY

This year 9/11 National Day of Service will be honoring the 20th Anniversary of those we lost during the terrorist attacks on America. The theme "Honor, Serve, Unite" is focused on volunteer service bringing Americans together to honor those we lost and were harmed, respond to community needs, and thank our first responders, veterans, active military, and healthcare workers who fight for our freedom and health.

FIRST RESPONDER APPRECIATION CARDS

When: Starting on 9/11/21 through our Day of Caring events ending 9/18/21.

What: BCUW will provide blank "Thank You" cards.

- You will write your own message of appreciation to our local first responders, hospital staff, fire departments, and police.
- Return cards to the BCUW office for distribution.

Ways to expand:

- Take the cards you create to the first responders and thank them personally yourself.
- Make a goodie basket to go along with the card. Cookies, gift cards, snacks, etc.

Because of you
