

# Backpack Program

This annual program helps to make sure that children (Grades K-12) go back to school with the school supplies they need to start the year off - no matter what the school year may look like.

## Supplies Needed Include:

- |                                   |                                       |
|-----------------------------------|---------------------------------------|
