**INDEPENDENT AUDITOR'S REPORT**

The Board of Directors  
Barry County United Way

We have audited the accompanying financial statements of Barry County United Way which comprise the statement of financial position as of March 31, 2025, with comparative totals as of March 31, 2024, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Organization as of March 31, 2025, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

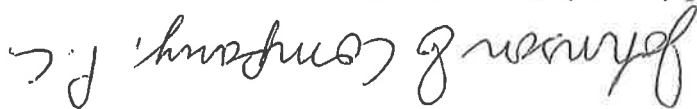

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### Report on Summarized Comparative Information

We have previously audited Organization's March 31, 2024 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 5, 2024. In our opinion, the summarized comparative information presented herein as of and for the year ended March 31, 2025, is consistent, in all material respects, with the audited financial statements from which it has been derived.

**Note A: Summary of Significant Accounting Policies**

Background - In 1936, Mrs. Florence Groos spearheaded the formation of the Barry Community Chest, the forerunner organization of the Barry County United Way. They worked diligently on raising funds for youth programming in the Hastings School District Area. Sixteen years later, this organization joined the United Way of America to form the Barry County United Way. Today, this organization, together with partner agencies was accessed over 48,000 times during the fiscal year by the residents throughout Barry County. While preparing youth to become accountable adults is still a focus of this organization, supporting families to achieve well being and success, helping senior adults find support and maintain independence, impacting people through positive change and addressing the urgent needs of our residents are also funded areas. Our mission is "to improve lives by mobilizing the caring power of Barry County communities." Our vision for the Barry County United Way is to build a stronger Barry County by mobilizing our communities to improve people's lives. To do this we will energize and inspire people to make a difference, craft human care agendas within and across our communities, build coalitions around these agendas, increase investments in these agendas by expanding and diversifying our own development efforts and supporting those of others, measure, communicate and learn from the impact of our efforts and reflect on the diversity of the communities we serve.

Basis of Presentation - The accompanying financial statements have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America. The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) "Audit and Accounting Guide for Not-for-Profit Organizations" (the Guide") (ASC) 958-205 was effective January 1, 2018. The (ASC) has been applied retrospectively to all periods presented.

Under the provisions of the Guide, net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. The Organization's board may designate assets without restrictions for specific operational purposes from time to time.

Net assets with donor restrictions - Net assets that are subject to donor-imposed stipulations. This includes restrictions on assets that may or will be met, either by actions of the Organization and/or the passage of time. These restrictions also include stipulations on assets that they are to be maintained permanently by the organization. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

Cash and Cash Equivalents - For the statement of financial position and statement of cash flows, the Organization considers cash and cash equivalents to consist of cash balances in checking accounts and certificates of deposit.

Accounts and Grant Receivables - The Organization considers grants receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

Measure of Operations - The statements of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to the organization's ongoing activities. Non-operating activities are limited to resources that generate return from investments, endowment contributions, financing costs, and other activities considered to be a non-recurring nature.

Donated Services - Volunteers have contributed time to the Organization without compensation. However, these services were not recognized as contributions in the consolidated financial statements as they do not meet the accounting criteria.

Contributions - Contributions are recognized when the donor makes a promise to give that is, in substance, unconditional. Conditional promises to give - that is, those with a measurable performance or other barrier and right of return - are not recognized until the conditions on which they depend on have been met. Contributions received are recorded with or without donor restrictions depending on the existence and/or nature of any donor restrictions. There were no conditional promises to give at December 31, 2024. When a restriction has been satisfied or expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. Amounts not expected to be collected within one year are classified as long-term.

Promises to Give - Unconditional promises to give are recognized as revenue or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promise becomes unconditional.

During the years ended March 31, 2025 and 2024, depreciation expense was \$6,700 and \$6,700, respectively.

Office equipment	5 years
Computer software	3-5 years
Furniture and fixtures	5-10 years
Leasehold improvements	5-20 years

Fixed Assets - The Organization capitalizes all expenditures for fixed asset acquisitions in excess of \$500. Fixed assets are carried at cost, or if donated, at the approximate fair value at the date of donation. Depreciation is computed on a straight-line basis over the useful lives of the assets generally as follows:

Pledges Receivable - An annual fundraising campaign is conducted each fall to obtain donations and pledges to fund the subsequent year's operations. The campaign pledge period consists of the period beginning April 1 through March 31 of the following year. Accordingly, a receivable is recorded at year-end for outstanding pledges with an allowance for amounts estimated to be uncollectible. Substantially all of the pledges receivable at March 31, 2025 are from corporations, employees and individuals. The Organization maintains reserves for potential uncollectible pledges that, in the aggregate, have not exceeded management's expectations. After two years, uncollected campaign pledges are written off.

Community-wide care donations and pledges are recorded as with donor restrictions revenues in the campaign year and released into without donor restrictions net assets as time restrictions are satisfied in the subsequent year. Donor designated pledges are accounted for as a liability until dispensed to the designated agency. Those amounts are not accounted for as contribution revenue by the Organization. Both community-wide care and donor-designated pledges are shown net of an estimated allowance for uncollectible pledges.

**Note A: Summary of Significant Accounting Policies (continued)**

Federal Income Tax - The Organization is recognized as a tax-exempt organization under code Section 501(c) (3) of the Internal Revenue Code. Accordingly, no provision for federal income tax has been made. The Organization is subject to federal income tax only on net unrelated business income under the provisions of Section 501(c) (3) of the Internal Revenue Code. The Organization has evaluated its tax positions and determined it has no uncertain tax position and has recorded no obligation for unrelated business income tax. No provision for federal or state income taxes is required as of March 31, 2025. The Organization's 2017 through 2024 returns are open for examination by the federal and state taxing authorities.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Expenses - The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. These expenses require allocation on a reasonable basis that is consistently applied. These expenses include compensation and benefits allocated based on management estimates of time and effort used in various functional areas, as well as operating expenses allocated as described below:

**Barry County United Way  
Notes to Financial Statements  
March 31, 2025  
With Comparative Totals For the Year Ended March 31, 2024**

**Note F : Concentrations of Credit Risk**

The Organization is required to disclose significant concentrations of credit risk regardless of the degree of risk. Financial instruments which potentially subject the Organization to concentrations of credit risk consist principally of cash investments and pledges receivable. The Organization places its cash and investments with high credit quality financial institutions. Although such investments and cash balances may exceed the federally insured limits at certain times during the year, in the opinion of management, risk is minimal. Credit risk with respect to pledges is minimal and accounted for by using an allowance for uncollectible receivables that is based upon 5% of all pledges received becoming uncollectible.

**Note G : Lease Agreements**

The Organization leases office space under an agreement with the Barry Community Foundation that was signed July 1, 2023 and expires June 30, 2028. The lease has been classified as an operating lease. Rental expenses for the years ended March 31, 2025 and 2024 were \$7,314 and \$6,955, respectively.

As a lessee, the Organization recognizes a lease liability and an intangible right-of-use lease asset on all leases longer than twelve months. Lease liability were calculated based on the net present value of future lease payments discounted using the risk-free discount rate at lease commencement. The discount rate related to the Organization's lease liability as of both March 31, 2025 was 4.19%. Amortization periods for the lease asset is based on the shorter of lease term or useful life. The weighted-average remaining lease term related to the Organization's lease liability as of March 31, 2025 was 5 years.

The following summarizes the line items in the statement of financial position which include amounts for the operating lease as of March 31, 2025:

Other non-current asset:	
Right-of-use assets, operating leases	31,704
Current liabilities:	
Current portion operating lease liability	8,637
Long-term liabilities:	
Operating lease liability	23,067
Total operating lease liabilities	<u>\$ 31,704</u>

The lease liability requirements for the lease as of March 31, 2025, are as follows:

	<u>Principal</u>	<u>Interest</u>
2026	8,637	1,178
2027	9,602	794

**Barry County United Way  
Notes to Financial Statements  
March 31, 2025  
With Comparative Totals For the Year Ended March 31, 2024**

**Note H: Pension Plan**

The Organization has a SEP IRA plan covering all employees who have worked at least three years earning a minimum of \$460 per year. Under the plan, the Organization contributes 10% of each eligible employee's salary. Plan expenses incurred by the Organization during the years ended March 31, 2025 and 2024 were \$20,915 and \$23,333, respectively.

**Note I: Net Assets with Donor Restrictions**

Donor restricted net assets consist of the following at March 31, 2025:

	Subject to expenditure for specified purpose:

**Note K: Commitments**

As part of the annual allocation process, the Organization has committed approximately \$506,850 to be paid to various agencies in Barry County and the surrounding areas during the twelve-month period beginning April 1, 2025.

**Note L: Fair Values of Financial Instruments**

The following methods and assumptions were used by the Organization in estimating its fair value disclosures for financial instruments:

Cash and cash equivalents, receivables, accounts payable, accrued liabilities and due to designated agencies: The carrying amounts reported in the Statement of Financial Position approximate fair value because of the short maturities of those instruments.

The estimated fair values of the Organization's financial instruments are as follows:

	Financial assets:		
	Cash and equivalents	\$ 2,491,576	\$ 2,491,576
	Pledges receivable	\$ 69,796	\$ 69,796
	Financial liabilities:		
	Accounts payable	\$ 22,101	\$ 22,101
	Accrued liabilities	\$ 1,271	\$ 1,271
	Unexpended grant	\$ 45,564	\$ 45,564
	Designated pledges payable	\$ 48,724	\$ 48,724
	Pension Payable	\$ 329	\$ 329
