UNITED WAY

**WHEN WE UNITE TO BETTER
OUR COMMUNITY, WE HELP
UPLIFT OUR NEIGHBORS AND
MOVE FAMILIES FORWARD
TO SHINE.**

How do we SHINE?

We do it UNITED. When we come together, we don't just respond to the challenges of today. We create lasting solutions that shape our community for generations to come.

For many, a strong community is about neighbors looking out for neighbors. It's about providing a support network that creates opportunities and hope. It's about addressing big problems with big solutions.

The Barry County United Way wants to help everyone in our community SHINE. But we cannot do this work without you. You will help us bring light to the tough work that needs to be done.

Will you help us be the light for others in Barry County?
